

Deposit Payment

We accept credit/debit card, eCheck & check for your child's deposit. While completing the online application, you will be prompted to select your preferred payment method. You will not be charged at this time. Once we receive your deposit and forms and it has been confirmed that there is a spot available for your child in their desired session(s), your payment will be processed.

Make a Tuition Payment

To make payments toward your balance please login to your [MyCampTevya account](#) and click the Financial Management section to be directed to the payment page. You may add more than one form of payment in this section and each time you go in to make a payment, you will have the option to select which you prefer to use.

While you will be receiving invoices for the February 1st & April 1st payment dates, it will be each family's responsibility to log in and process tuition payments throughout the year. ***Please note that in order to be eligible for the Cash Discount (\$125 savings for one session and \$200 savings for full season) all payments including the deposit must be made by check or echeck.***
